SUPERIOR

REF: GUAT 437, GUAT 439

1. LINCOLN will obtain and forward the letter from [ ] accrediting ESTIVAL to SUPERIOR as a personal representative of [ ] as soon as possible. It will take longer than it ordinarily would because [ ] is still at [ ] He is not returning to LINCOLN until 6 May.
2. SUPERIOR's surprise at the expansion of ESTIVAL's role is natural. Again, this surprise could have been avoided if [ ]. However, [ ] prevented him from writing the necessary letters direct (through our channels) to SUPERIOR and LINCOLN therefore had to go ahead on its own without [ ].
3. GUAT 439 is an example, again, of the problems raised by [ ]. We have seen very little of [ ] since [ ] and were therefore not aware of the arrangement for the meeting with SUPERIOR in mid-May. However, a contact in the last few days with [ ] has made us aware of the importance that [ ] attaches to this meeting. We have therefore sent you a cable requesting that you facilitate and expedite the meeting.
4. We regret the surprises and uncertainties caused you by the unfortunate fact of [ ] and our subsequent loss of communications with him.
